

Tackling Challenging Behaviors

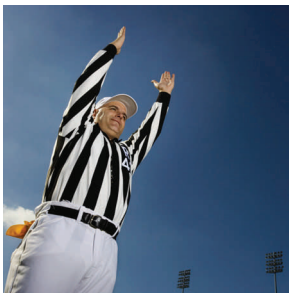

A workshop for Parents
& Professionals

Through this informative and interactive workshop, participants will:

-  Identify why challenging behaviors occur
-  Become familiar with important assessment procedures
-  Learn how to define and analyze behavior
-  Understand Behavior Intervention Strategies
-  Learn practical strategies for dealing with common problems such as 'morning madness', bedtime & sleeping difficulties, anger & aggression as well as help with tackling homework frustration

Kim will teach you how to tackle challenging behaviors and replace with positive, pro-social behaviors!

Kim Garvey Hoehne, M.A., BCBA is a Board Certified Behavior Analyst and Certified Developmental Specialist who has been working with individuals with ASD for 16 years. She owns and directs KGH Consultation & Treatment, Inc. KGH provides comprehensive services to children 0-18 with ASD and related disorders, along with their families.
